Kronda Thimesch Comprehensive Resume

Personal and Family

Kronda Thimesch (pronounced "KRAWN-duh TIMM-esh") graduated from Texas Tech University with a degree in landscape architecture, which is where she met her husband, Jeff. Together, they founded Green Meadows Landscaping in 1989, a Lewisville-based business which serves commercial and residential landscape clients all over the Metroplex. Kronda also started a second business with her husband and two sons in 2018 called Gardens To Go. Gardens To Go is an online landscape plant and materials delivery service for North Texas and is the only business model of its type in the state of Texas.

A 29-year Lewisville ISD resident, Kronda and her family have lived in three different feeder patterns within the district. She and Jeff raised four children in Lewisville ISD. Justin, Kaytin and Jacob all graduated from Hebron High School and went on to Oklahoma State University. Karissa is a senior at Hebron High School.

In 2019, the Thimesches celebrated the marriage of their daughter Kaytin to Kolby Slater of Dacoma, OK, and of their son Justin to Amy McDonald of Woodward, OK.

Lewisville ISD Service

Kronda was first elected to the LISD Board in 2015. She was elected Vice President by her board colleagues in June 2017 and June 2018. Past committee service includes the LISD Legislative, Finance and Facilities Committees, and currently, she serves on the Financial and Audit Committee.

Prior to her election in 2015, Kronda served as Special Events chair for the Hebron Football Booster Club, where she led parents from the five cities that form the Hebron community to establish a Spring Game & Family Festival event. The event quickly developed into a popular tradition linking area families, businesses and school programs together. Kronda and Jeff served as co-presidents for the Hebron Football Booster Club program in 2014-2015. Additionally, the Thimesches were active booster club members for the soccer, volleyball and basketball programs at Hebron High School.
